Education – Theology – Digitisation: *What do we gain, what do we lose?*

Friday, 11 June 2021, 9 a.m. to 12:30 p.m. (CET)

Zoom Conference: Replacement event by the European Protestant & Anglican Network for life-long Learning (EAAE) and plusbildung Switzerland instead of the Study Tour 2021

The Covid19 pandemic has thrown us all into the digital water. Adult education went swimming. A lot of experience has been gained and possibilities explored, concerns confirmed or eradicated. In any case, new questions have arisen, including theological ones. We will have to clarify them in the interests of those interested in education.

Input: Patrice ROLIN, minister United Protestant Church of France

Insights: Members of EAAE

Keynote Speaker: Thomas SCHLAG, Professor for Practical Theology with a focus on Religious Education, Church Theory and Pastoral Theology, Faculty of Theology of the University of Zurich

Moderation: Rev. Walter LÜSSI, president of «plusbildung Switzerland»

Registration: Please register until the 31st of May 2021 to studytour@eaae.eu (the program details and the link will be sent to you some days before the conference).
